

LOS ANGELES PRINTMAKING SOCIETY

A NATIONAL NON-PROFIT DEVOTED TO THE INTERESTS OF MAKERS OF FINE PRINTS

www.laprintmaking.com

The Los Angeles Printmaking Society invites printmaking artists to apply for membership to the organization. Applications are juried twice a year for membership. Artists may submit for jury 6 images of original work, digitally by Email or sent by post in a CD, or delivered by hand in a portfolio. New members juried into the organization are eligible to enter our active membership exhibitions, receive opportunities and calls, and post an artist page on the new website gallery.

Applicants may submit *one* of the following:

Portfolio: A portfolio of six prints, at least one of which must be in a traditional and “editionable” printmaking process, such as intaglio, relief, lithography, etc. Traditional processes mixed with digital are accepted, as long as traditional processes are the major components of the image. No photographs or photo-copy reproductions. Please indicate the process for each piece. Work need not be matted, but if possible, protected. LA Printmaking can not accept framed work and will not be responsible for loss or damage of works from any cause. Artists may wish to carry their own insurance.

CD or EMAIL: JPEG images of six prints made using a fine art process, such as intaglio, woodcut, lithography, screen-print etc, at least one of which must be a print from a possible edition. These may be submitted by email or on a CD as JPEGS. Your JPEG images should adequately reflect the original print and give the reviewers a sense of how the print fits on the paper, including the edge of the paper. No cropped images please. The file names should include both the artist’s name and title, such as *P.Picasso.Dance of the Fauns.jpg*. Files should be of good quality, 200 DPI with a maximum size of 10 inches in the longest direction. The CD must be labeled with the artist’s name. Include a hardcopy of information also including artist’s name as well as titles, media, year of creation, and dimensions of each piece submitted for jury. If submitting by email, include the same documentation with your JPEGS.
